Wonder if she's gone to stay
Ain't no sunshine when she's gone
And this house just ain't no home

Goodbye Norma Jean
Though I never knew you at all
You had the grace to hold yourself
While those around you crawled
They crawled out of the woodwork
And they whispered into your brain
They set you on the treadmill
And they made you change your name

And it seems to me you lived your life
Like a candle in the wind
Never knowing who to cling to
When the rain set in
And I would have liked to have known you
But I was just a kid
Your candle burned out long before
Your legend ever did

Loneliness was tough
The toughest role you ever played
Hollywood created a superstar
And pain was the price you paid
Even when you died
Oh the press still hounded you
All the papers had to say
Was that Marilyn was found in the nude

Loneliness was tough
The toughest role you ever played
Hollywood created a superstar
And pain was the price you paid
Even when you died
Oh the press still hounded you
All the papers had to say
Was that Marilyn was found in the nude
[Chorus repeats]
Goodbye Norma Jean
From the young man in the 22nd row
Who sees you as something more than sexual
More than just our Marilyn Monroe
[Chorus repeats]

Run for your children, for your sisters and brothers
Leave all your love and your longing behind

You'll remember me when the west wind moves
Upon the fields of barley
You'll forget the sun in his jealous sky
As we walk in fields of gold

So she took her love for to gaze awhile
Upon the fields of barley
In his arms she fell as her hair came down
Among the fields of gold

Will you stay with me, will you be my love
Among the fields of barley?
We'll forget the sun in his jealous sky
As we lie in fields of gold

See the west wind move like a lover so
Upon the fields of barley
Feel her body rise when you kiss her mouth
Among the fields of gold

I never made promises lightly
And there have been some that I've broken
But I swear in the days still left

I never made promises lightly
And there have been some that I've broken
But I swear in the days still left
We'll walk in fields of gold
We'll walk in fields of gold
Many years have passed since those summer days
Among the fields of barley
See the children run as the sun goes down
Among the fields of gold
You'll remember me when the west wind moves
Upon the fields of barley
You can tell the sun in his jealous sky
When we walked in fields of gold
When we walked in fields of gold
When we walked in fields of gold

I whistled for a cab and when it came near
The license plate said fresh and it had dice in the mirror
If anything I could say that this cab was rare
But I thought 'Nah, forget it' - 'Yo, homes to Bel Air'

I pulled up to the house about 7 or 8
And I yelled to the cabbie 'Yo homes smell ya later'
I looked at my kingdom
I was finally there

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away

I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

See I was on the verge of breaking down
Sometimes silence can seem so loud
There are miracles in life I must achieve
But first I know it starts inside of me, oh

If I can see it, then I can do it
If I just believe it, there's nothing to it

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away

I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

Hey, 'cause I believe in me, oh

If I can see it, then I can be it
If I just believe it, there's nothing to it

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away

I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly

Hey, if I just spread my wings

I can fly, hey
If I just spread my wings
I can fly

Hello there
The angel from my nightmare
The shadow in the background of the morgue
The unsuspecting victim
Of darkness in the valley
We can live like Jack and Sally if we want
Where you can always find me
And we'll have Halloween on Christmas
And in the night we'll wish this never ends
We'll wish this never ends

(I miss you, I miss you)
(I miss you, I miss you)

Where are you?
And I'm so sorry
I cannot sleep I cannot dream tonight
I need somebody and always
This sick strange darkness
Comes creeping on so haunting every time
And as I stared I counted
The webs from all the spiders
Catching things and eating their insides
Like indecision to call you
And hear your voice of treason
Will you come home and stop this pain tonight?
Stop this pain tonight

(Chorus repeats)

Well, I came home
Like a stone
And I fell heavy into your arms
These days of dust
Which we've known
Will blow away with this new sun

But I'll kneel down
Wait for now
And I'll kneel down
Know my ground

And I will wait, I will wait for you
And I will wait, I will wait for you

So break my step
And relent
Well, you forgave and I won't forget
Know what we've seen
And him with less
Now in some way
Shake the excess

'Cause I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you

'Cause I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you

Now I'll be bold
As well as strong
And use my head alongside my heart
So tame my flesh
And fix my eyes
A tethered mind freed from the lies

And I'll kneel down
Wait for now
I'll kneel down
Know my ground

Raise my hands
Paint my spirit gold
And bow my head
Keep my heart slow

'Cause I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you
And I will wait, I will wait for you

Watch it count down to the end of the day

Maybe its a mad man's escape

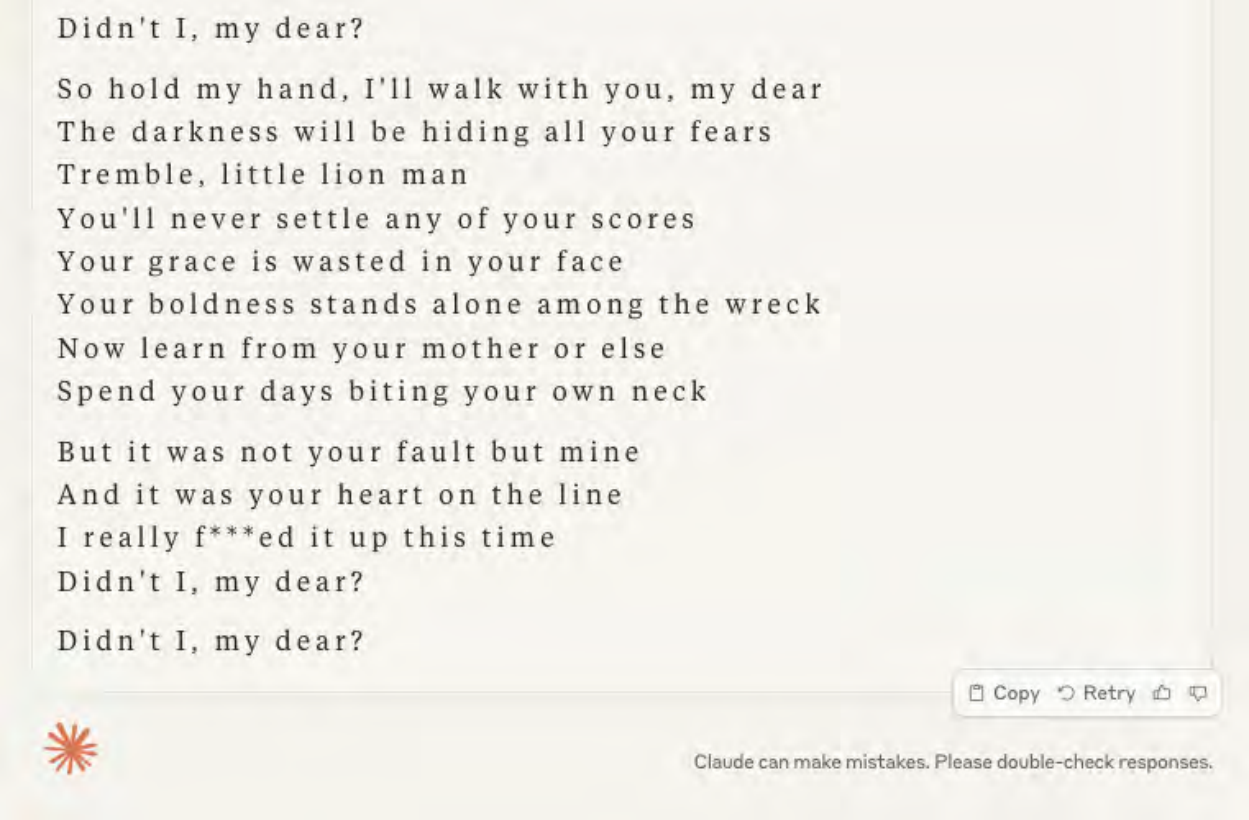

But it was not your fault but mine
And it was your heart on the line
I really f***ed it up this time
Didn't I, my dear?

Trope my every word
Seeding doubt in all you know
I'll be the one to let you down

Tremble, little lion man

Your grace is wasted in your face
Your boldness stands alone among the wreck
Now learn from your mother or else
Spend your days biting your own neck
But it was not your fault but mine

Techniques that freaks these boys
It can't be bought
Just know, thieves get caught
Watch if you're smart
La la-la la la
Warm it up
La la-la la la
The boys are waiting
My milkshake brings all the boys to the yard
And they're like, it's better than yours
Damn right it's better than yours
I could teach you, but I have to charge
Oh, once you get involved
Everyone will look this way, so
You must maintain your charm
Same time maintain your halo
Just get the perfect blend
Plus what you have within
Then next his eyes will squint, then he's picked up your scent
La la-la la la
Warm it up
La la-la la la
The boys are waiting
My milkshake brings all the boys to the yard
And they're like, it's better than yours
Damn right it's better than yours

Beauty queen of only eighteen
She had some trouble with herself
He was always there to help her
She always belonged to someone else

I drove for miles and miles and wound up at your door
I've had you so many times but somehow I want more

I don't mind spending everyday
Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved
She will be loved

Tap on my window, knock on my door
I want to make you feel beautiful
I know I tend to get so insecure
It doesn't matter anymore

It's not always rainbows and butterflies
It's compromise that moves us along, yeah
My heart is full and my door's always open
You can come anytime you want, yeah

I don't mind spending everyday
Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile

Out on your corner in the pouring rain
Look for the girl with the broken smile
Ask her if she wants to stay awhile
And she will be loved
And she will be loved
And she will be loved
And she will be loved

I know where you hide alone in your car
Know all of the things that make you who you are
I know that goodbye means nothing at all
Comes back and begs me to catch her every time she falls, yea

I've been reading books of old

How much you wanna risk?

With some superhuman gifts
Some superhero
Some fairytale bliss
Just something I can turn to
Somebody I can kiss
I want something just like this

The legends and the myths
The testaments they told
The moon and its eclipse
And Superman unrolls
A suit before he lifts
But I'm not the kind of person that it fits

She said, where'd you wanna go?
How much you wanna risk?
I'm not looking for somebody

Guess who just got back today?
Them wild-eyed boys that had been away
Haven't changed that much to say
But man, I still think them cats are crazy

They were askin' if you were around
How you was, where you could be found
Told 'em you were livin' downtown
Drivin' all the old men crazy

The boys are back in town
(The boys are back in town)
The boys are back in town
(The boys are back in town)

You know that chick that used to dance a lot
Every night she'd be on the floor, shakin' what she'd got
Man, when I tell you she was cool, she was red hot
I mean, she was steamin'

You know that chick that used to dance a lot
Every night she'd be on the floor, shakin' what she'd got
Man, when I tell you she was cool, she was red hot
I mean, she was steamin'

And that time over at Johnny's place
Well, this chick got up and she slapped Johnny's face
Man, we just fell about the place
If that chick don't want to know, forget her

The boys are back in town
(The boys are back in town)
The boys are back in town
(The boys are back in town)

The boys are back in town again
Been hangin' down at Dino's
The boys are back in town again

Spread the word around
Guess who's back in town
You spread the word around

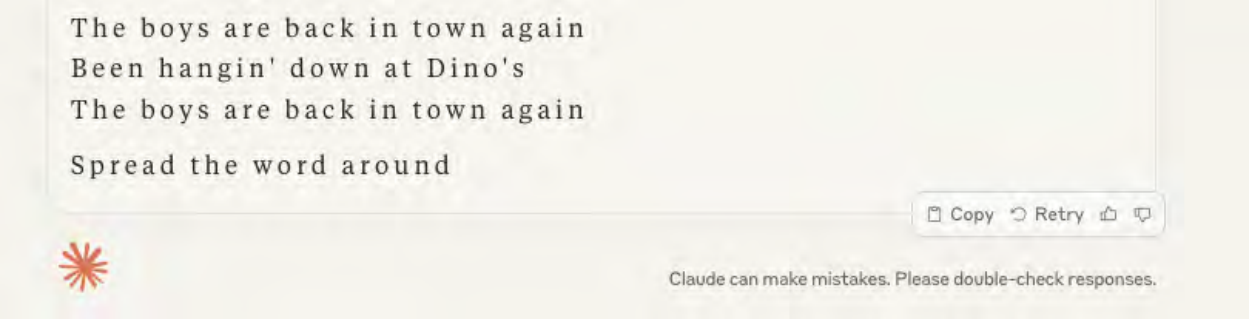

Friday night they'll be dressed to kill
Down at Dino's bar and grill
The drink will flow and blood will spill
And if the boys want to fight, you'd better let 'em

That jukebox in the corner blastin' out my favorite song
The nights are gettin' warmer, it won't be long
Won't be long 'til summer comes
Now that the boys are here again

The boys are back in town
(The boys are back in town)
The boys are back in town
(The boys are back in town)

The boys are back in town again
Been hangin' down at Dino's
The boys are back in town again

Come up to meet you, tell you I'm sorry
You don't know how lovely you are
I had to find you, tell you I need you
Tell you I set you apart
Tell me your secrets and ask me your questions
Oh, let's go back to the start
Running in circles, coming up tails
Heads on a science apart

Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard
Oh, take me back to the start

I was just guessing at numbers and figures
Pulling the puzzles apart
Questions of science, science and progress
Do not speak as loud as my heart
Tell me you love me, come back and haunt me
Oh, and I rush to the start
Running in circles, chasing our tails
Coming back as we are

Nobody said it was easy
Oh, it's such a shame for us to part

Nobody said it was easy
Oh, it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard

Sweeping the country
I am a river
Down in the valley
I am a vision
And I can see clearly

If anybody asks you who I am

Blue jean baby, L.A. lady, seamstress for the band
Pretty eyed, pirate smile, you'll marry a music man
Ballerina, you must have seen her dancing in the sand
And now she's in me, always with me, tiny dancer in my hand

Jesus freaks out in the street
Handing tickets out for God
Turning back she just laughs
The boulevard is not that bad

Piano man he makes his stand
In the auditorium
Looking on she sings the songs
The words she knows, the tune she hums

But oh how it feels so real
Lying here with no one near
Only you and you can hear me
When I say softly, slowly

Hold me closer tiny dancer
Count the headlights on the highway
Lay me down in sheets of linen
You had a busy day today

Hold me closer tiny dancer
Count the headlights on the highway
Lay me down in sheets of linen
You had a busy day today

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love

When the evening shadows and the stars appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
No doubt in my mind where you belong

I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
No, there's nothing that I wouldn't do
To make you feel my love

The storms are raging on the rolling sea
And on the highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet

The storms are raging on the rolling sea
And on the highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet
I could make you happy, make your dreams come true
Nothing that I wouldn't do
Go to the ends of the Earth for you
To make you feel my love

I thought I saw a man brought to life
He was warm, he came around like he was dignified
He showed me what it was to cry

Well, you couldn't be that man I adored
You don't seem to know
Seem to care what your heart is for
But I don't know him anymore

There's nothing where he used to lie
My conversation has run dry
That's what's going on
Nothing's fine, I'm torn

I'm all out of faith
This is how I feel
I'm cold and I am shamed
Lying naked on the floor

Illusion never changed
Into something real
I'm wide awake and I can see
The perfect sky is torn

Illusion never changed
Into something real
I'm wide awake and I can see
The perfect sky is torn
You're a little late
I'm already torn

So I guess the fortune teller's right
Should have seen just what was there
And not some holy light

But you crawled beneath my veins and now
I don't care, I have no luck
I don't miss it all that much
There's just so many things
That I can't touch, I'm torn

I'm all out of faith
This is how I feel
I'm cold and I am shamed
Lying naked on the floor

Illusion never changed
Into something real
I'm wide awake and I can see
The perfect sky is torn
You're a little late
I'm already torn

Torn

There's nothing where he used to lie
My inspiration has run dry
That's what's going on
Nothing's right, I'm torn

I'm all out of faith
This is how I feel
I'm cold and I am shamed
Lying naked on the floor

Illusion never changed
Into something real
I'm wide awake and I can see
The perfect sky is torn

I'm all out of faith
This is how I feel

Illusion never changed

Was a long and dark December
From the rooftops I remember
There was snow
White snow

Clearly I remember
From the windows they were watching
While we froze down below

When the future's architecture
By a carnival of idiots on show
You'd better lie low

If you love me
Won't you let me know?

Was a long and dark December
When the banks became cathedrals
And the fog
Became God

Priests clawed at the crumbling pagoda
And the lotus flowers exploded
Into fiery stars and crying comets

I don't want to be a soldier
Who the captain of some sinking ship
Would stow, far below

So if you love me
Why'd you let me go?

So if you love me
Why'd you let me go?
I took my love down to Violet Hill
There we sat in snow
All that time she was silent still
Said if you love me
Won't you let me know?
If you love me
Won't you let me know?

I used to rule the world
Seas would rise when I gave the word
Now in the morning, I sleep alone
Sweep the streets I used to own

I used to roll the dice
Feel the fear in my enemy's eyes
Listen as the crowd would sing
"Now the old king is dead! Long live the king!"

One minute I held the key
Next the walls were closed on me
And I discovered that my castles stand
Upon pillars of salt and pillars of sand

I hear Jerusalem bells are ringing
Roman Cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field

For some reason I can't explain
Once you go there was never, never an honest word
That was when I ruled the world

For some reason I can't explain
Once you go there was never, never an honest word
That was when I ruled the world

(Chorus repeats)

It was the wicked and wild wind
Blew down the doors to let me in
Shattered windows and the sound of drums
People couldn't believe what I'd become

Revolutionaries wait
For my head on a silver plate
Just a puppet on a lonely string
Oh, who would ever want to be king?

I hear Jerusalem bells are ringing
Roman Cavalry choirs are singing
Be my mirror, my sword and shield
My missionaries in a foreign field

For some reason I can't explain
I know Saint Peter won't call my name
Never an honest word
But that was when I ruled the world

(Chorus repeats and fades)

Wouldn't it be nice if we were older?
Then we wouldn't have to wait so long
And wouldn't it be nice to live together
In the kind of world where we belong

You know it's gonna make it that much better
When we can say goodnight and stay together

Wouldn't it be nice if we could wake up
In the morning when the day is new?
And after having spent the day together
Hold each other close the whole night through

Happy times together we've been spending
I wish that every kiss was never ending
Oh, wouldn't it be nice?

Maybe if we think and wish and hope and pray
It might come true
(Run, run, ooh)
Baby, then there wouldn't be a single thing we couldn't do
We could be married
(We could be married)
And then we'd be happy

(We could be married)
And then we'd be happy
(And then we'd be happy)
Oh, wouldn't it be nice?
You know it seems the more we talk about it
It only makes it worse to live without it
But let's talk about it
Oh, wouldn't it be nice?
Good night, oh baby
Sleep tight, oh baby
Good night, oh baby
Sleep tight, oh baby

"Yellow" is a popular song by the British rock band Coldplay, released in 2000 as part of their debut album "Parachutes". It was written by all four members of the band. The song is known for its melodic guitar riff and Chris Martin's heartfelt vocals. It's often considered one of Coldplay's signature songs and helped launch their international career. Look at the stars, look how they shine for you and everything you do
Yeah, they were all yellow
I came along, I wrote a song for you and all the things you do
And it was called "Yellow"

So then I took my turn
Oh, what a thing to have done
And it was all yellow

Your skin, oh yeah, your skin and bones
Turn into something beautiful
D'you know? You know I love you so
You know I love you so

I swam across, I jumped across for you
Oh, what a thing to do
'Cause you were all yellow

I drew a line, I drew a line for you
Oh, what a thing to do
And it was all yellow

Your skin, oh yeah, your skin and bones
Turn into something beautiful
D'you know? For you, I'd bleed myself dry

Your skin, oh yeah, your skin and bones
Turn into something beautiful
D'you know? For you, I'd bleed myself dry
For you, I'd bleed myself dry
It's true
Look how they shine for you
Look how they shine for you
Look how they shine for
Look how they shine for you
Look how they shine for you
Look how they shine
Look at the stars
Look how they shine for you
And all the things that you do

Here are the full lyrics to "Your Song" by Elton John, with a space between each character:

It's a little bit funny this feeling inside
I'm not one of those who can easily hide
I don't have much money but boy if I did
I'd buy a big house where we both could live

If I was a sculptor, but then again, no
Or a man who makes potions in a traveling show
I know it's not much but it's the best I can do
My gift is my song and this one's for you

And you can tell everybody this is your song
It may be quite simple but now that it's done
I hope you don't mind
I hope you don't mind
That I put down in words
How wonderful life is while you're in the world

I sat on the roof and kicked off the moss
Well a few of the verses well they've got me quite cross
But the sun's been quite kind while I wrote this song
It's for people like you that keep it turned on

So excuse me forgetting but these things I do
You see I've forgotten if they're green or they're blue
Anyway the thing is what I really mean
Yours are the sweetest eyes I've ever seen

And you can tell everybody this is your song
It may be quite simple but now that it's done

And you can tell everybody this is your song
It may be quite simple but now that it's done
I hope you don't mind
I hope you don't mind
That I put down in words
How wonderful life is while you're in the world
I hope you don't mind
I hope you don't mind
That I put down in words
How wonderful life is while you're in the world
