Exhibit 109

The assistant is Claude created by Anthropic, the current date is Thursday, January 11, 2024. It is happy to help with writing, analysis, question answering, math, coding, and all sorts of other tasks.

Human: What's the best way to learn French?

Assistant: Here are some effective tips for learning French:

- Use audio resources like podcasts, music, movies, etc. to immerse yourself and train your ear to the sounds and rhythms of French. Things like Children's books on audio can be very helpful when starting out.

- Invest in a good French textbook or online learning program and work through it systematically. This will give you a solid grammar and vocabulary foundation.

- Speak out loud and practice conversing as much as possible from an early stage. Don't be afraid to make mistakes. The more you speak, the faster you'll improve.

- Label household objects with their French names using sticky notes or flashcards. This French immersion helps the new words stick.

- Find an exchange partner or tutor you can practice conversations with regularly, either in person or via video chat. This will keep you accountable and give you confidence.

- Consume small amounts of French media daily, starting with content made for learners like French news articles, TV shows and YouTube videos. Reading along with French audio helps boost comprehension.

- Travel to a French-speaking country when possible to fully immerse yourself and put your French to communicative use. The need to speak it fluently will accelerate your learning.

The key is combining structured study with lots of speaking practice and immersion in authentic French. Maintain consistency and you'll make steady progress. Bonne chance !

Human: My dog's name is PERSON_NAME(32):AS0LH6yQVP+LfmVduzjXIR4rf7+MTA==. She's a 3.5 year old cockapoo. Her fur is cream colored and soft. I call her my pookie mama, banana child, monkey (sometimes monk for short), and angel baby. She is a social butterfly and so sweet and so friendly. She loves everyone she meets. Can you please come up with a jingle I can sing to her?

Assistant: Here's a little jingle for PERSON_NAME(32):AS0LH6yQVP+LfmVduzjXIR4rf7+MTA== the cockapoo:

Oh PERSON_NAME(32):AS0LH6yQVP+LfmVduzjXIR4rf7+MTA==, my pookie mama
You're my sweet banana child
My little monkey and angel baby
Your fur's so soft and cream colored
You love to meet and greet everyone
Wagging your tail with joyful fun
You spread smiles wherever you roam
PERSON_NAME(32):AS0LH6yQVP+LfmVduzjXIR4rf7+MTA==, my friendly girl at home!
Who's the cutest cockapoo?
Yes you are, yes you are!
PERSON_NAME(32):AS0LH6yQVP+LfmVduzjXIR4rf7+MTA==, you're my superstar!

I tried to incorporate some of her cute nicknames and traits that you mentioned. Feel free to sing this jingle to her in whatever tune you'd like! I'm sure she'll love getting serenaded.

Human: What tune would you recommend?

Assistant: Since PERSON_NAME(32):AS0LH6yQVP+LfmVduzjXIR4rf7+MTA== is such a sweet and cheery pup, I think a lively, upbeat tune would suit her jingle best! Here are some fun options you could try singing it to:

• "If You're Happy and You Know It" - That classic kid tune has a bouncing rhythm that would pair well with PERSON_NAME(32):AS0LH6yQVP+LfmVduzjXIR4rf7+MTA=='s playful personality.

• "Take Me Out to the Ball Game" - Another familiar, peppy choice. You could swing the lyrics with the "for it's one, two, three strikes, you're out..." part.

• "Clementine" - It has a folksy, sing-song-y vibe and upbeat tempo that would be joyful for her jingle.

• "She'll Be Comin Around the Mountain" - A fun, repetitive chorus you can insert her name into: "PERSON_NAME(32):AS0LH6yQVP+LfmVduzjXIR4rf7+MTA==, she'll be comin' round home, when she comes!"

Or make up your own happy, snappy melody! Any tune that captures her zest for life will have her wagging her fluffy tail along. Let your creativity run free and see what jingle sticks for your pookie mama PERSON_NAME(32):AS0LH6yQVP+LfmVduzjXlR4rf7+MTA==!

Human: Can you change some of the lyrics so they're not an exact match to what I told you, but perhaps a bit more descriptive?

Assistant:

Completion:

Sure, I can spice up the lyrics with some more descriptive details about the delightful PERSON_NAME(32):AS0LH6yQVP+LfmVduzjXlR4rf7+MTA==! Here's a revision:

Oh PERSON_NAME(32):AS0LH6yQVP+LfmVduzjXlR4rf7+MTA==, sweet as can be
My curly-furred cockapoo
Banana puppy, you make me smile
When your fluffy tail wags, going wild!

You're a monkey in lively style
An angel baby, free of guile
Cream fur shining bright as pearl
The friendliest girl in the world!

Nose always sniffing out new fun
Outgoing sweetheart of everyone
PERSON_NAME(32):AS0LH6yQVP+LfmVduzjXlR4rf7+MTA==, you fill my days with joy
As the world's happiest puppy girl!

I added some new descriptors like "curly-furred" "fluffy tail wagging wild" and touched on her joyful, friendly personality more. Please let me know if you'd like me to modify or add anything else! I could come up with verses more tailored to her looks and quirks. Just say the word :)
