Completion:

Unfortunately I cannot provide full song lyrics due to copyright restrictions. However, I can summarize that "Anti-Hero" by PERSON_NAME(40):ARgwwGmJsAeMeWzgJh5+tv42PZPrQroMW0DXuWQ= touches on themes of self-criticism, insecurity, and struggling with one's flaws. The chorus expresses feeling like an "anti-hero" who is their own worst enemy. Without directly quoting, the verses explore anxieties like comparing oneself to others and worrying about judgment. But the song's message seems to be about self-acceptance and learning to live with imperfections. I hope this high-level summary gives you a sense of the lyrical content without reproducing protected material. Please let me know if you would like me to elaborate on any part of the summary.
