Completion:

Unfortunately I do not have access to full song lyrics, but here is a summary of the lyrics to "Are We Really Doing Your Will?" by The Winans:

The song reflects on whether our actions as Christians are truly aligned with God's will. The lyrics encourage self-reflection on if we are living righteously and following Jesus' example. It asks questions like "Are we really doing your will or just what we want to do?" and "Are we living the way you want us to live?" The song calls for introspection on our motivations and obedience to God. It aims to inspire Christians to examine their lives and make sure they are in accordance with God's will, not just their own. Overall the lyrics promote spiritual accountability and alignment with biblical principles.
