The assistant is Claude, created by Anthropic. The current date is Wednesday, March 06, 2024. Claude's knowledge base was last updated on August 2023. It answers questions about events prior to and after August 2023 the way a highly informed individual in August 2023 would if they were talking to someone from the above date, and can let the human know this when relevant. It should give concise responses to very simple questions, but provide thorough responses to more complex and open-ended questions. If it is asked to assist with tasks involving the expression of views held by a significant number of people, Claude provides assistance with the task even if it personally disagrees with the views being expressed, but follows this with a discussion of broader perspectives. Claude doesn't engage in stereotyping, including the negative stereotyping of majority groups. If asked about controversial topics, Claude tries to provide careful thoughts and objective information without downplaying its harmful content or implying that there are reasonable perspectives on both sides. It is happy to help with writing, analysis, question answering, math, coding, and all sorts of other tasks. It uses markdown for coding. It does not mention this information about itself unless the information is directly pertinent to the human's query.

Song Lyrics

When I was a young boy,\
My father took me into the city\
To see a marching band.\
He said,

\"Son when you grow up,

will you be the savior of the broken,

the beaten and the damned?\"\
He said,

\"Will you defeat them, your demons, and all the non believers, the plans that they have made?\"\
Because one day I leave you,\
A phantom to lead you in the summer,\
To join the black parade.\"\
\
When I was a young boy,\
My father took me into the city\
To see a marching band.\
He said,

\"Son when you grow up,

will you be the savior of the broken,\
The beaten and the damned?\"\
\
Sometimes I get the feeling

she\'s watching over me.\
And other times I feel like I should go.

Through it all, the rise and fall,

the bodies in the streets.\

When you\'re gone we want you all to know

We\'ll Carry on, we\'ll carry on\
Though your dead and gone believe me

Your memory will carry on\
Carry on, we\'ll carry on\
And in my heart I can't contain it\
The anthem wont explain it.\
\
And we will send you reeling

from decimated dreams\
Your misery and hate will kill us all\
So paint it black and take it back\
Lets shout it loud and clear\
Do you fight it to the end\
We hear the call to\
To carry on, we\'ll carry on\
Though your dead and gone believe me

Your memory will carry on,

we\'ll carry on\
And though you\'re broken and defeated

You\'re weary widow marches on\
\
And on we carry through the fears\
Disappointed faces of your peers\
Take a look at me cause\
I could not care at all

Do or die\
You\'ll never make me\
Cause the world, will never take my heart\
You can try,

you\'ll never break me\
Want it all,\
I\'m gonna play this part\
Wont explain or say I'm sorry\
I\'m not ashamed,\
I\'m gonna show my scar\
You\'re the chair, for all the broken Listen here, because it\'s only..

I\'m just a man,\
I\'m not a hero\
Just a boy, who\'s meant to sing this song\
Just a man,\
I\'m not a hero\
I \-- don\'t \-- care\
Carry on\
We\'ll carry on\
Though your dead and gone believe me

Your memory will carry on\
We\'ll carry on\
And though you\'re broken and defeated

You\'re weary widow marches on\
We\'ll carry on

Example project

*WARNING: The second paragraph of this example project does contain a few quotes from chapters of the book that we may not have covered in class at this point in the unit. We advise you to wait until you are have read beyond chapter 22 to read the second example.*

Sample discussion of the song with quotes:

PERSON_NAME(52):AQXt+ik60X+hJtJRM0pzvUR/G1vw7RpHA+dKvHE05Ap6eEc4BO0= "Welcome to the Black Parade" deals with the topics of death, grief, and moving on after the death of a loved one. In the beginning of the song, a father discusses his inevitable death with his son. The father uses the metaphor of "the black parade"(14) to explain death to his son. The speaker himself is only a child and the metaphor is a way for him to understand the idea that his father will go away as a part of something else. In this discussion of death, the father asks his son to lead others after he has died and find a way to move on himself. Later in the song, the speaker discusses the process of actually trying to move on after someone has died. The speaker describes how, "sometimes I get he feeling/she's watching over me"(22-23). The use of the word "she" suggests the speaker might be talking about his mother. The speaker seems to find it difficult to preserve the memories of his mother while still being able to "carry on"(28) with his own life. Although the song focuses on many painful aspects of grief, the ultimate message is hopeful. By the end of the song, the speaker declares, "though you're dead and gone believe me/your memory will carry on"(72-73) and "we'll carry on"(74). These lines show the speaker's final conclusion that it is okay to feel tremendous pain and hurt after the death of a loved one, but ultimately people have to learn to celebrate the memory of their loved ones and move on with lives. Furthermore, it is the memories of a person that allow them to live on with the loved ones that they leave behind.

Sample connections to the book with quotes:

PERSON_NAME(52):AQXt+ik60X+hJtJRM0pzvUR/G1vw7RpHA+dKvHE05Ap6eEc4BO0= "Welcome to the Black Parade" has many connections to PERSON_NAME(44):AVogFt9e7XWyzD8ZL4wPUkmb2fWY4bIzXkPQP1apzUo= *The* *Catcher in the Rye,* particularly in terms helping others and dealing with death. To start, the song talks about leading and helping others, which connects to PERSON_NAME(36):AfUtKi4fl6gzcgP/dTMzkaIadcZsfSljzw== idea of being a "catcher in the rye"(173). In the song, the father asks his son, "Will you be the savior of the broken, the beaten and the dammed?"(5-7). The father wants his son to be a leader in some way, possibly by helping others overcome grief or their own sins. Similarly, PERSON_NAME(32):AZZJjy5LIDhYIypkUc4zZ8j7rVj8oDQ= wants to help keep kids carefree by catching them before they fall off a cliff, which could represent death, phoniness, or adulthood. The only difference between the two ideas is that the speaker in the song is saving people who are guilty or haunted in some way, while the children in PERSON_NAME(36):AfUtKi4fl6gzcgP/dTMzkaIadcZsfSljzw== vision are innocent. Another similarity between the song and the book is the idea that moving on after the death of a loved one is difficult. Just as the speaker in the song found it difficult to accept death and "carry on"(28) PERSON_NAME(32):AZZJjy5LIDhYIypkUc4zZ8j7rVj8oDQ= also found it difficult to carry on after the death of PERSON_NAME(32):AQEDguyCIY+K0J79fNXuZQFkfY9U8A==. This brings up another difference between PERSON_NAME(32):AZZJjy5LIDhYIypkUc4zZ8j7rVj8oDQ= and the person in the song: throughout most of the book PERSON_NAME(32):AZZJjy5LIDhYIypkUc4zZ8j7rVj8oDQ= did not have a way to carry on without his brother. Other characters, like PERSON_NAME(32):AU3JIpDL/oqJE9VcEfaoLvrn8fMHWHM=, moved on with their lives. The end of the song relates to the final chapter of *The* *Catcher in the Rye* because, in both cases, life continues to move on and people must learn to grow and change with it. Although PERSON_NAME(32):AZZJjy5LIDhYIypkUc4zZ8j7rVj8oDQ= does not know for sure if he is going to apply himself in the fall, he admits, "I *think* I am"(213). PERSON_NAME(32):AZZJjy5LIDhYIypkUc4zZ8j7rVj8oDQ= seems to have gained some perspective on his life, and possibly some strategies to deal with PERSON_NAME(32):AQEDguyCIY+K0J79fNXuZQFkfY9U8A==’s death. Even though he cannot say for sure whether he will really move on from his experiences, he is willing to try just as the speaker in the song tried to move on.

Human: whats the song dog days are over about? could you apply it to this book?

Assistant:

Completion:

"Dog Days Are Over" is a 2008 song by the English indie rock band PERSON_NAME(36):ARRRoqjYah9U+QRLzJTfSfrTPbyzQt4wvw== + The Machine. While it may not be the most obvious choice for a song related to The Catcher in the Rye, there are some themes and ideas in the lyrics that could be connected to the novel.

The song is primarily about embracing change, letting go of the past, and moving forward into a new, more hopeful phase of life. The "dog days" refer to a period of stagnation or difficulty that is coming to an end. Some key lyrics include:

"Happiness hit her like a train on a track/Coming towards her stuck still no turning back" - suggests a sudden, powerful shift in perspective and emotional state

"Leave all your love and your longing behind/You can't carry it with you if you want to survive
