A long, long time ago I can still remember how that music used to make me smile And I know if I had my chance that I could make these people dance And maybe they’d be happy for a while But February made me shiver With ev’ry paper I’d deliver Bad news on the doorstep I couldn’t take one more step I can’t remember if I cried when I read about his widowed bride Something touched me deep inside, the day the music died	A long long time ago I can still remember how That music used to make me smile And I knew if I had my chance That I could make those people dance And maybe they'd be happy for a while But February made me shiver With every paper I'd deliver Bad news on the doorstep I couldn't take one more step I can't remember if I cried When I read about his widowed bride Something touched me deep inside The day the music died

So bye, bye, Miss American Pie Drove my Chevy to the levee but the levee was dry Them good old boys were drinkin' whiskey & rye, Singin', this'll be the day that I die This'll be the day that I die	So Bye, bye Miss American Pie Drove my Chevy to the levee but the levee was dry And them good ole boys were drinking whiskey and rye Singin' this'll be the day that I die This'll be the day that I die
Did you write the book of love and do you * have faith in God above If the Bible tells you so Now do you believe in rock 'n' roll Can music save your mortal soul and can you teach me how to dance real slow Well, I know that you're in love with him 'cause I saw you dancing in the gym You both kicked off your shoes Man, I dig those rhythm and blues I was a lonely teenage broncin' buck With a pink carnation & a pick-up truck But I knew I was out of luck the day the music died (I started singin')	Did you write the book of love And do you have faith in God above If the Bible tells you so? Now, do you believe in rock and roll? Can music save your mortal soul? And can you teach me how to dance real slow? Well, I know that you're in love with him 'Cause I saw you dancin' in the gym You both kicked off your shoes Man, I dig those rhythm and blues I was a lonely teenage broncin' buck With a pink carnation and a pickup truck But I knew I was out of luck The day the music died I started singin'
Bye, bye, Miss American Pie Drove my Chevy to the levee but the levee was dry Them good old boys were drinkin' whiskey & rye, Singin', this'll be the day that I die This'll be the day that I die	Bye, bye Miss American Pie Drove my Chevy to the levee but the levee was dry Them good ole boys were drinking whiskey and rye And singin' this'll be the day that I die This'll be the day that I die
Now for ten years we've been on our own and Moss grows fat on a rolling stone But that's not how it used to be When the jester sang for the King and Queen In a coat he borrowed from James Dean In a voice that came from you and me Oh and while the King was looking down The jester stole his thorny crown The courtroom was adjourned No verdict was returned And while Lennon read a book on Marx The quartet practiced in the park And we sang dirges in the dark The day the music died We were singing	Now, for ten years we've been on our own And moss grows fat on a rolling stone But, that's not how it used to be When the jester sang for the king and queen In a coat he borrowed from James Dean And a voice that came from you and me Oh, and while the king was looking down The jester stole his thorny crown The courtroom was adjourned No verdict was returned And while Lennon read a book on Marx The quartet practiced in the park And we sang dirges in the dark The day the music died We were singin'

Bye-bye Miss American Pie Drove my chevy to the levee but the levee was dry Them good ole-boys were drinking whiskey and rye Singing this will be the day that I die This will be the day that I die Helter-Skelter in the summer swelter The birds flew off with a fallout shelter Eight miles high and falling fast It landed foul upon the grass The players tried for a forward pass With the jester on the sidelines in a cast Now the half-time air was sweet perfume While the Sargents played a marching tune We all got up to dance But we never got the chance The players tried to take the field The marching band refused to yield Do you recall what was revealed The day the music died We started singing Bye-bye Miss American Pie Drove my chevy to the levee but the levee was dry Them good ole-boys were drinking whisky and rye Singing this will be the day that I die This will be the day that I die And there we were all in one place A generation lost in space With no time left to start again So come on Jack be nimble, Jack be quick Jack Flash sat on a candle stick 'Cause fire is the devil's only friend And as I watched him on the stage My hands were clenched in fists of rage No Angel born in hell Could break that Satan's spell And as the flames climb high into the night To light the sacrificial rite I saw Satan laughing with delight The day the music died	Bye, bye Miss American Pie Drove my Chevy to the levee but the levee was dry Them good ole boys were drinking whiskey and rye And singin' this'll be the day that I die This'll be the day that I die Helter skelter in a summer swelter The birds flew off with a fallout shelter Eight miles high and falling fast It landed foul on the grass The players tried for a forward pass With the jester on the sidelines in a cast Now the half-time air was sweet perfume While the sergeants played a marching tune We all got up to dance Oh, but we never got the chance 'Cause the players tried to take the field The marching band refused to yield Do you recall what was revealed The day the music died? We started singin' Bye, bye Miss American Pie Drove my Chevy to the levee but the levee was dry Them good ole boys were drinking whiskey and rye And singin' this'll be the day that I die This'll be the day that I die Oh, and there we were all in one place A generation lost in space With no time left to start again So come on Jack be nimble, Jack be quick Jack Flash sat on a candlestick 'Cause fire is the devil's only friend Oh, and as I watched him on the stage My hands were clenched in fists of rage No angel born in Hell Could break that Satan's spell And as the flames climbed high into the night To light the sacrificial rite I saw Satan laughing with delight The day the music died He was singin'

He was singing Bye-bye Miss American Pie Drove my chevy to the levee but the levee was dry Them good ole-boys were drinking whiskey and rye Singing this will be the day that I die This will be the day that I die I met a girl who sang the blues And I asked her for some happy news But she just smiled and turned away I went down to the sacred store Where I'd heard the music years before But the man there said the music wouldn't play And in the streets the children screamed The loves cried and the poets dreamed But not a word was spoken The church bells all were broken And three men I admire most The Father, Son, and the Holy-Ghost They caught the last train for the coast The day the music died And they were singing Bye-Bye Miss American Pie Drove my chevy to the levee but the levee was dry Them good ole-boys were drinking whisky and rye Singing this will be the day that I die This will be the day that I die	Bye, bye Miss American Pie Drove my Chevy to the levee but the levee was dry Them good ole boys were drinking whiskey and rye Singin' this'll be the day that I die This'll be the day that I die I met a girl who sang the blues And I asked her for some happy news But she just smiled and turned away I went down to the sacred store Where I'd heard the music years before But the man there said the music wouldn't play And in the streets the children screamed The lovers cried, and the poets dreamed But not a word was spoken The church bells all were broken And the three men I admire most The Father, Son, and the Holy Ghost They caught the last train for the coast The day the music died And they were singing Bye, bye Miss American Pie Drove my Chevy to the levee but the levee was dry And them good ole boys were drinking whiskey and rye Singin' this'll be the day that I die This'll be the day that I die They were singing Bye, bye Miss American Pie Drove my Chevy to the levee but the levee was dry Them good ole boys were drinking whiskey and rye Singin' this'll be the day that I die

I may not always love you, But long as there are stars above you; You never need to doubt it, I'll make you so sure about it, God only knows what I'd be without you. If you should ever leave me, Oh, life would still go on, believe me; The world could show nothing to me, So what good would living do me? God only knows what I'd be without you.	I may not always love you But long as there are stars above you You never need to doubt it I'll make you so sure about it God only knows what I'd be without you If you should ever leave me Well, life would still go on, believe me The world could show nothing to me So what good would living do me? "THERE MUST BE SOME WAY OUT OF HERE," SAID THE JOKER TO THE THIEF, "THERE'S TOO MUCH CONFUSION, I CAN'T GET NO RELIEF." "BUS'NESS MEN THEY DRINK MY WINE, PLOWMEN DIG MY EARTH, NONE OF THEM ALONG THE LINE, KNOW WHAT ANY OF IT IS WORTH." "NO REASON TO GET EXCITED," THE THIEF KINDLY SPOKE, "THERE ARE MANY HERE AMONG US WHO FEEL THAT LIFE IS BUT A JOKE. BUT, YOU AND I WE'VE BEEN THRU THAT AND THIS IS NOT OUR FATE, SO LET US NOT TALK FALSELY, NOW, THE HOUR IS GETTING LATE." ALL ALONG THE WATCH TOWER PRINCES KEPT THE VIEW WHILE ALL THE WOMEN CAME AND WENT BAREFOOT SERVANTS, TOO.	There must be some way out of here Said the joker to the thief There's too much confusion, I can't get no relief Businessmen, they drink my wine Plowmen dig my earth None of them along the line know what any of it is worth No reason to get excited,the thief, he kindly spoke There are many here among us who feel that life is but a joke But you and I, we've been through that, and this is not our fate So let us not talk falsely now, the hour is getting late All along the watchtower, princes kept the view While all the women came and went, barefoot servants, too

I remember when I was a lad, times were hard and things were bad; But there's a silver lining behind ev'ry cloud Just poor people, that's all we were Tryin' to make a livin' out of black land dirt; We'd get together in a fam'ly circle singin' loud. DADDY SANG BASS; Mama sang tenor; Me and Little Brother would join right in there; Singin' seems to help a troubled soul. One of these days and it won't be long, I'll rejoin them in a song; I'm gonna join the fam'ly circle at the throne. No, the circle won't be broken; Bye and Bye, Lord, Bye and Bye. Daddy'll Sing Bass; Mama'll sing Tenor; Me and Little Brother will join right in there; In the sky, Lord, in the sky. Now I remember after work Mama would call in all of us; You could hear us singin' for a country mile. Now, Little Brother has done gone on But I'll rejoin him in a song; We'll be together again up yonder in a little while. DADDY SANG BASS; Mama sang tenor; Me and Little Brother would join right in there; Singin' seems to help a troubled soul.
