EXHIBIT A

Claim or Defense	Publishers' Undisputed Facts & Supporting Evidence	Anthropic's Response & Supporting Evidence
Issue 2. Anthropic's use was commercial.	Fact # 149. Anthropic is a for-profit technology company valued at $380 billion or more. **Ex. 3,** Whittle 30(b)(6) Dep. Tr. 32:18-20; **Ex. 96** (ANTHROPIC, *Anthropic raises $30 billion in Series G funding at $380 billion post-money valuation* (Feb. 12, 2026)).	Disputed. Anthropic is a public benefit corporation that prioritizes its mission above the goal of optimizing shareholder value. In the words of Mr. Brown, one of Anthropic's co-founders, Anthropic's mission includes that of "ensuring that the transition to advanced AI systems goes well for humanity." Another of Anthropic's co-founders, Mr. Kaplan, explained that Anthropic was founded to help "make AI development as safe and beneficial as possible." Ex. 106 (Brown Dep.) at 51:20-52:9; Ex. 120 (Kaplan Dep.) at 105:18-107.
