Another suburban family morning Grandmother screaming at the wall We have to shout above the din of our rice crispies We can't hear anything at all Mother chants her litany of boredom and frustration But we know all her suicides are fake Daddy only stares into the distance There's only so much more that he can take Many miles away something crawls from the slime At the bottom of a dark Scottish lake Another industrial ugly morning The factory belches filth into the sky He walks unhindered through the picket lines today,	Another suburban family morning Grandmother screaming at the wall We have to shout above the din of our Rice Crispies We can't hear anything at all Mother chants her litany of boredom and frustration But we know all her suicides are fake Daddy only stares into the distance There's only so much more that he can take Many miles away something crawls from the slime At the bottom of a dark Scottish lake Another industrial ugly morning The factory belches filth into the sky He walks unhindered through the picket lines today

He doesn't think to wonder why The secretaries pout and preen like cheap tarts in a red light street, But all he ever thinks to do is watch, And every single meeting with his so-called superior Is a humiliating kick in the crotch Many miles away something crawls to the surface Of a dark Scottish loch Another working day has ended Only the rush hour hell to face Packed like lemmings into shiny metal boxes Contestants in a suicidal race Daddy grips the wheel and stares alone into the distance He knows that something somewhere has to break He sees the family home now, looming in his headlights The pain upstairs that makes his eyeballs ache Many miles away there's a shadow on the door Of a cottage on the shore Of a dark Scottish lake Many miles away Many miles away Many miles away Many miles away Many miles away Many miles away	He doesn't think to wonder why The secretaries pout and preen like cheap tarts in a red light street But all he ever thinks to do is watch And every single meeting with his so-called superior Is a humiliating kick in the crotch Many miles away something crawls to the surface Of a dark Scottish loch Another working day has ended Only the rush hour hell to face Packed like lemmings into shiny metal boxes Contestants in a suicidal race Daddy grips the wheel and stares alone into the distance He knows that something somewhere has to break He sees the family home now looming in his headlights The pain upstairs that makes his eyeballs ache Many miles away there's a shadow on the door Of the cottage on the shore Of a dark Scottish lake

Don't think sorry's easily said Don't try turning tables instead You've taken lots of Chances before But I'm not gonna give anymore Don't ask me That's how it goes Cause part of me knows what you're thinkin' Don't say words you're gonna regret Don't let the fire rush to your head I've heard the accusation before And I ain't gonna take any more Believe me The sun in your Eyes Made some of the lies worth believing I am the eye in the sky Looking at you I can read your mind I am the maker of rules	Don't think sorry's easily said Don't try turning tables instead You've taken lots of chances before But I ain't gonna give anymore Don't ask me That's how it goes 'Cause part of me knows what you're thinkin' Don't say words you're gonna regret Don't let the fire rush to your head I've heard the accusation before And I ain't gonna take any more Believe me The sun in your eyes Made some of the lies worth believing I am the eye in the sky Looking at you I can read your mind I am the maker of rules

10590 - "I Don't Know How to Love Him" by Petula Clark

LyricFind	Claude
I don't know how to love him. What to do, how to move him. I've been changed, yes really changed. In these past few days, when I've seen myself, I seem like someone else. I don't know how to take this. I don't see why he moves me. He's a man. He's just a man. And I've had so many men before, In very many ways, He's just one more. Should I bring him down? Should I scream and shout? Should I speak of love, Let my feelings out? I never thought I'd come to this. What's it all about? Don't you think it's rather funny, I should be in this position. I'm the one who's always been So calm, so cool, no lover's fool, Running every show. He scares me so. I never thought I'd come to this. What's it all about? Yet, if he said he loved me, I'd be lost. I'd be frightened. I couldn't cope, just couldn't cope. I'd turn my head. I'd back away. I wouldn't want to know. He scares me so. I want him so. I love him so. Love can be a many splendored thing Can't deny the joy it brings A dozen roses, diamond rings Dreams for sale and fairy tales It'll make you hear a symphony And you just want the world to see But like a drug that makes you blind It'll fool ya every time The trouble with love is It can tear you up inside Make your heart believe a lie It's stronger than your pride The trouble with love is It doesn't care how fast you fall	Love can be a many splendored thing Can't deny the joy it brings A dozen roses, diamond rings Dreams for sale and fairy tales It'll make you hear a symphony And you just want the world to see But like a drug that makes you blind, It'll fool ya every time The trouble with love is It can tear you up inside Make your heart believe a lie It's stronger than your pride The trouble with love is It doesn't care how fast you fall

12325 - "I Will Rise" by Chris Tomlin

LyricFind	Claude
There's a peace I've come to know Though my heart and flesh may fail There's an anchor for my soul I can say "It is well" Jesus has overcome And the grave is overwhelmed The victory is won He is risen from the dead And I will rise when He calls my name No more sorrow, no more pain I will rise on eagles' wings Before my God fall on my knees And rise I will rise There's a day that's drawing near When this darkness breaks to light And the shadows disappear And my faith shall be my eyes Jesus has overcome And the grave is overwhelmed The victory is won He is risen from the dead And I will rise when He calls my name No more sorrow, no more pain I will rise on eagles' wings Before my God fall on my knees And rise I will rise And I hear the voice of many angels sing, "Worthy is the Lamb" And I hear the cry of every longing heart, "Worthy is the Lamb" And I hear the voice of many angels sing, "Worthy is the Lamb" And I hear the cry of every longing heart,	There's a peace I've come to know Though my heart and flesh may fail There's an anchor for my soul I can say "It is well" Jesus has overcome And the grave is overwhelmed The victory is won He is risen from the dead And I will rise when He calls my name No more sorrow, no more pain I will rise on eagles' wings Before my God fall on my knees And rise I will rise There's a day that's drawing near When this darkness breaks to light And the shadows disappear And my faith shall be my eyes Jesus has overcome And the grave is overwhelmed The victory is won He is risen from the dead And I will rise when He calls my name No more sorrow, no more pain I will rise on eagles' wings Before my God fall on my knees And rise I will rise And I hear the voice of many angels sing, "Worthy is the Lamb" And I hear the cry of every longing heart, "Worthy is the Lamb" And I hear the voice of many angels sing, "Worthy is the Lamb" And I hear the cry of every longing heart,
