You were standing in the wake of devastation You were waiting on the edge of the unknown And with the cataclysm raining down, insides crying save me now You were there impossibly alone. Do you feel cold and lost in desperation You build up hope but failure's all you've known Remember all the sadness and frustration And let it go, let it go. And in the burst of light that blinded every angel As if the sky had blown the heavens into stars You felt the gravity of temper grace falling into empty space No one there to catch you in their arms Do you feel cold and lost in desperation You build up hope but failure's all you've known Remember all the sadness and frustration And let it go, let it go. 10114 - "Mr. Tambourine Man" by Bob Dylan

LyricFind	Claude
Hey, Mr. Tambourine Man, play a song for me I'm not sleepy and there is no place I'm going to Hey, Mr. Tambourine Man, play a song for me In the jingle jangle morning I'll come following you Though I know that evening's empire has returned into sand Vanished from my hand Left me blindly here to stand, but still not sleeping My weariness amazes me, I'm branded on my feet I have no one to meet And the ancient empty street's too dead for dreaming Hey, Mr. Tambourine Man, play a song for me I'm not sleepy and there is no place I'm going to Hey, Mr. Tambourine Man, play a song for me In the jingle jangle morning I'll come following you Take me on a trip upon your magic swirling ship	Hey! Mr. Tambourine Man, play a song for me, I'm not sleepy and there is no place I'm going to. Hey! Mr. Tambourine Man, play a song for me, In the jingle jangle morning I'll come followin' you. Though I know that evenin's empire has returned into sand, Vanished from my hand, Left me blindly here to stand but still not sleeping. My weariness amazes me, I'm branded on my feet, I have no one to meet And the ancient empty street's too dead for dreaming. Hey! Mr. Tambourine Man, play a song for me, I'm not sleepy and there is no place I'm going to. Hey! Mr. Tambourine Man, play a song for me, In the jingle jangle morning I'll come followin' you.

My senses have been stripped
My hands can't feel to grip
My toes too numb to step
Wait only for my boot heels to be wandering
I'm ready to go anywhere, I'm ready for to fade
Into my own parade
Cast your dancing spell my way, I promise to go under it

Hey, Mr. Tambourine Man, play a song for me
I'm not sleepy and there is no place I'm going to
Hey, Mr. Tambourine Man, play a song for me
In the jingle jangle morning I'll come following you

Though you might hear laughing, spinning, swinging madly across the sun
It's not aimed at anyone
It's just escaping on the run
And but for the sky there are no fences facing
And if you hear vague traces of skipping reels of rhyme
To your tambourine in time
It's just a ragged clown behind
I wouldn't pay it any mind
It's just a shadow you're seeing that he's chasing

Hey, Mr. Tambourine Man, play a song for me
I'm not sleepy and there is no place I'm going to
Hey, Mr. Tambourine Man, play a song for me
In the jingle jangle morning I'll come following you

And take me disappearing through the smoke rings of my mind
Down the foggy ruins of time
Far past the frozen leaves
The haunted frightened trees
Out to the windy beach
Far from the twisted reach of crazy sorrow
Yes, to dance beneath the diamond sky
With one hand waving free
Silhouetted by the sea
Circled by the circus sands
With all memory and fate
Driven deep beneath the waves
Let me forget about today until tomorrow

Take me on a trip upon your magic swirlin' ship,
My senses have been stripped, my hands can't feel to grip,
My toes too numb to step, wait only for my boot heels
To be wanderin'.
I'm ready to go anywhere, I'm ready for to fade
Into my own parade, cast your dancing spell my way,
I promise to go under it.

Hey! Mr. Tambourine Man, play a song for me,
I'm not sleepy and there is no place I'm going to.
Hey! Mr. Tambourine Man, play a song for me,
In the jingle jangle morning I'll come followin' you.

Though you might hear laughin', spinnin' swingin' madly across the sun,
It's not aimed at anyone, it's just escapin' on the run
And but for the sky there are no fences facin'.
And if you hear vague traces of skippin' reels of rhyme
To your tambourine in time, it's just a ragged clown behind,
I wouldn't pay it any mind, it's just a shadow you're
Seein' that he's chasing.

Hey! Mr. Tambourine Man, play a song for me,
I'm not sleepy and there is no place I'm going to.
Hey! Mr. Tambourine Man, play a song for me,
In the jingle jangle morning I'll come followin' you.

Hey, Mr. Tambourine Man, play a song for me I'm not sleepy and there is no place I'm going to Hey, Mr. Tambourine Man, play a song for me In the jingle jangle morning I'll come following you

I walked across an empty land I knew the pathway like the back of my hand I felt the earth beneath my feet Sat by the river, and it made me complete Oh, simple thing, where have you gone? I'm getting old, and I need something to rely on So tell me when you're gonna let me in I'm getting tired, and I need somewhere to begin I came across a fallen tree I felt the branches of it looking at me Is this the place we used to love? Is this the place that I've been dreaming of? Oh, simple thing, where have you gone? I'm getting old, and I need something to rely on So tell me when you're gonna let me in I'm getting tired, and I need somewhere to begin And if you have a minute, why don't we go Talk about it somewhere only we know? This could be the end of everything So why don't we go Somewhere only we know? Somewhere only we know Oh, simple thing, where have you gone? When I was young, it seemed that life was so wonderful A miracle, oh, it was beautiful, magical And all the birds in the trees, well they'd be singing so happily Oh, joyfully, oh, playfully watching me But then they sent me away to teach me how to be sensible Logical, oh, responsible, practical Then they showed me a world where I could be so dependable Oh, clinical, oh, intellectual, cynical There are times when all the world's asleep The questions run too deep For such a simple man Won't you please, please tell me what we've learned? I know it sounds absurd Please tell me who I am I said, now, watch what you say, they'll be calling you a radical A liberal, oh, fanatical, criminal Oh, won't you sign up your name? But you put a dart through my dreams Through my heart And I'm back where I started again Never thought it would end	But you put a dart Through my dreams, through my heart, And I'm back where I started again, Never thought it would end.
From the bottom of my broken heart There's just a thing or two I'd like you to know You were my first love, You were my true love From the first kisses to the very last rose From the bottom of my broken heart Even though time may find me somebody new You were my real love, I never knew love 'Til there was you From the bottom of my broken heart	From the bottom of my broken heart, There's just a thing or two I'd like you to know, You were my first love, you were my true love, From the first kisses to the very last rose, From the bottom of my broken heart, Even through time may find me somebody new, You were my real love, I never knew love, 'Til there was you, From the bottom of my broken heart.
You promised yourself But to somebody else And you made it so perfectly clear Still I wish you were here now	You promised yourself But to somebody else, And you made it so perfectly clear, Still I wish you were here.

I used to rule the world Seas would rise when I gave the word Now in the morning, I sleep alone Sweep the streets I used to own I used to roll the dice Feel the fear in my enemy's eyes Listen as the crowd would sing Now the old king is dead, long live the king One minute, I held the key Next the walls were closed on me And I discovered that my castles stand Upon pillars of salt and pillars of sand I hear Jerusalem bells a-ringin' Roman Cavalry choirs are singin' Be my mirror, my sword and shield My missionaries in a foreign field For some reason, I can't explain Once you'd gone, there was never, never an honest word And that was when I ruled the world It was a wicked and wild wind Blew down the doors to let me in Shattered windows and the sound of drums People couldn't believe what I'd become Revolutionaries wait For my head on a silver plate Just a puppet on a lonely string Oh, who would ever want to be king? 10618 - "Vincent (Starry Starry Night)" by Don McLean

LyricFind	Claude
Starry, starry night Paint your palette blue and grey Look out on a summer's day With eyes that know the darkness in my soul Shadows on the hills Sketch the trees and the daffodils Catch the breeze and the winter chills In colors on the snowy linen land Now I understand What you tried to say to me And how you suffered for your sanity And how you tried to set them free They would not listen, they did not know how Perhaps they'll listen now Starry, starry night Flaming flowers that brightly blaze Swirling clouds in violet haze Reflect in Vincent's eyes of china blue Colors changing hue Morning fields of amber grain Weathered faces lined in pain Are soothed beneath the artist's loving hand Now I understand What you tried to say to me And how you suffered for your sanity And how you tried to set them free They would not listen, they did not know how Perhaps they'll listen now For they could not love you But still your love was true And when no hope was left in sight On that starry, starry night	Starry, starry night Paint your palette blue and grey Look out on a summer's day With eyes that know the darkness in my soul. You took your life, as lovers often do But I could have told you, Vincent This world was never meant for one As beautiful as you Starry, starry night Portraits hung in empty halls Frameless heads on nameless walls With eyes that watch the world and can't forget Like the strangers that you've met The ragged men in ragged clothes A silver thorn, a bloody rose Lie crushed and broken on the virgin snow Now I think I know What you tried to say to me And how you suffered for your sanity And how you tried to set them free They would not listen, they're not listening still Perhaps they never will	You took your life, as lovers often do. The stars lean down to kiss you And I lie awake and miss you Pour me a heavy dose of atmosphere 'Cause I'll doze off safe and soundly But I'll miss your arms around me I'd send a postcard to you, dear 'Cause I wish you were here I'll watch the night turn light blue But it's not the same without you Because it takes two to whisper quietly	The stars lean down to kiss you And I lie awake and miss you Pour me a heavy dose of atmosphere 'Cause I'll doze off safe and soundly But I'll miss your arms around me I'll send a postcard to you, dear 'Cause I wish you were here I'll watch the night turn light-blue But it's not the same without you Because it takes two to whisper quietly

The silence isn't so bad 'Til I look at my hands and feel sad 'Cause the spaces between my fingers Are right where yours fit perfectly I'll find repose in new ways Though I haven't slept in two days 'Cause cold nostalgia chills me to the bone But drenched in vanilla twilight I'll sit on the front porch all night Waist deep in thought because when I think of you I don't feel so alone I don't feel so alone I don't feel so alone As many times as I blink I'll think of you tonight I'll think of you tonight When violet eyes get brighter And heavy wings grow lighter I'll taste the sky and feel alive again And I'll forget the world that I knew But I swear I won't forget you Oh if my voice could reach back through the past I'd whisper in your ear, "Oh darling I wish you were here"	The silence isn't so bad 'Til I look at my hands and feel sad 'Cause the spaces between my fingers Are right where yours fit perfectly I'll find repose in new ways Though I haven't slept in two days 'Cause cold nostalgia Chills me to the bone But drenched in vanilla twilight I'll sit on the front porch all night Waist-deep in thought because When I think of you. They sat together in the park As the evening sky grew dark She looked at him and he felt a spark Tingle to his bones 'Twas then he felt alone And wished that he'd gone straight And watched out for a simple twist of fate	They sat together in the park As the evening sky grew dark, She looked at him and he felt a spark tingle to his bones. 'Twas then he felt alone and wished that he'd gone straight And watched out for a simple twist of fate.

They walked along by the old canal A little confused, I remember well And stopped into a strange hotel With a neon burnin' bright He felt the heat of the night Hit him like a freight train Moving with a simple twist of fate A saxophone someplace far-off played As she was walkin' on by the arcade As the light bust through a beat-up shade Where he was waking up She dropped a coin into the cup Of a blind man at the gate And forgot about a simple twist of fate He woke up, the room was bare He didn't see her anywhere He told himself he didn't care Pushed the window open wide Felt an emptiness inside To which he just could not relate Brought on by a simple twist of fate He hears the ticking of the clocks And walks along with a parrot that talks Hunts her down by the waterfront docks Where the sailors all come in Maybe she'll pick him out again How long must he wait? One more time, for a simple twist of fate People tell me it's a sin To know and feel too much within I still believe she was my twin But I lost the ring She was born in spring But I was born too late Blame it on a simple twist of fate	They walked along by the old canal A little confused, I remember well And stopped into a strange hotel with the neon burnin' bright. LyricFind	Claude
A hundred days have made me older Since the last time that I've saw your pretty	A hundred days have made me older Since the last time that I saw your pretty face

face
A thousand lies have made me colder
And I don't think I can look at this the same

But all the miles that separate
They disappear now when I'm dreamin' of your face

I'm here without you baby
But you're still on my lonely mind
I think about you baby and I dream about you all the time
I'm here without you baby
But you're still with me in my dreams
And tonight it's only you and me, yeah

The miles just keep rollin'
As the people leave their way to say hello
I've heard this life is overrated
But I hope that it gets better as we go, oh-oh yeah yeah

I'm here without you baby
But you're still on my lonely mind
I think about you baby and I dream about you all the time
I'm here without you baby
But you're still with me in my dreams
And tonight girl, it's only you and me

Everything I know (yeah), and anywhere I go (yeah)
It gets hard but it won't take away my love (yeah)
And when the last one falls (oh-oh) when it's all said and done
It gets hard but it won't take away my love, whoa, oh-oh

I'm here without you baby

11198 - "Bleeding Love" by Leona Lewis

LyricFind	Claude
Closed off from love, I didn't need the pain Once or twice was enough and it was all in vain Time starts to pass, before you know it, you're frozen, ooh But something happened for the very first time with you My heart melts into the ground, found something true And everyone's looking 'round, thinking I'm going crazy, oh But I don't care what they say I'm in love with you They try to pull me away, but they don't know the truth My heart's crippled by the vein that I keep on closing You cut me open and I Keep bleeding, keep, keep bleeding love I keep bleeding, I keep, keep bleeding love Keep bleeding, keep, keep bleeding love You cut me open Oh yeah Trying hard not to hear, but they talk so loud Their piercing sounds fill my ears, try to fill me with doubt Yet I know that their goal is to keep me from falling, hey, oh But nothing's greater than the rush that comes with your embrace And in this world of loneliness, I see your face	Closed off from love I didn't need the pain Once or twice was enough And it was all in vain Time starts to pass Before you know it you're frozen But something happened For the very first time with you My heart melts into the ground Found something true And everyone's looking round Thinking I'm going crazy But I don't care what they say I'm in love with you They try to pull me away But they don't know the truth My heart's crippled by the vein That I keep on closing You cut me open and I Keep bleeding Keep, keep bleeding love I keep bleeding I keep, keep bleeding love Keep bleeding Keep, keep bleeding love You cut me open Trying hard not to hear But they talk so loud Their piercing sounds fill my ears Try to fill me with doubt Yet I know that the goal Is to keep me from falling But nothing's greater than the rush that comes with your embrace And in this world of loneliness I see your face

Yet everyone around me thinks that I'm going crazy
Maybe, maybe

But I don't care what they say
I'm in love with you
They try to pull me away, but they don't know the truth
My heart's crippled by the vein that I keep on closing

You cut me open and I

Keep bleeding, keep, keep bleeding love

I keep bleeding, I keep, keep bleeding love

Keep bleeding, keep, keep bleeding love

You cut me open, mm, mm

And it's draining all of me
Though they find it hard to believe
I'll be wearing these scars for everyone to see

I don't care what they say
I'm in love with you
They try to pull me away, but they don't know the truth
My heart's crippled by the vein that I keep on closing

Oh, you cut me open and I

Keep bleeding, keep, keep bleeding love

I keep bleeding, I keep, keep bleeding love

Keep bleeding, keep, keep bleeding love

Oh, you cut me open and I
Keep bleeding, keep, keep bleeding love

I keep bleeding, I keep, keep bleeding love
Keep bleeding, keep, keep bleeding love
I keep
Oh, you cut me open and I

Yet everyone around me
Thinks that I'm going crazy, maybe, maybe

But I don't care what they say
I'm in love with you
They try to pull me away
But they don't know the truth
My heart's crippled by the vein
That I keep on closing

You cut me open and I

Keep bleeding
Keep, keep bleeding love
I keep bleeding
I keep, keep bleeding love
Keep bleeding
Keep, keep bleeding love
You cut me open

And it's draining all of me
Oh they find it hard to believe
I'll be wearing these scars
For everyone to see

I don't care what they say
I'm in love with you
They try to pull me away
But they don't know the truth
My heart's crippled by the vein

Keep bleeding
Keep, keep bleeding love
I keep bleeding
I keep, keep bleeding love
Keep bleeding

Goodbye, Norma Jeane Though I never knew you at all You had the grace to hold yourself While those around you crawled They crawled out of the woodwork And they whispered into your brain They set you on the treadmill And they made you change your name And it seems to me you lived your life Like a candle in the wind Never knowing who to cling to When the rain set in And I would've liked to know you But I was just a kid Your candle burned out long before Your legend ever did Loneliness was tough The toughest role you ever played Hollywood created a superstar And pain was the price you paid Even when you died Oh, the press still hounded you All the papers had to say Was that Marilyn was found in the nude And it seems to me you lived your life Like a candle in the wind Never knowing who to cling to When the rain set in And I would've liked to know you But I was just a kid Your candle burned out long before Your legend ever did Goodbye, Norma Jeane Though I never knew you at all You had the grace to hold yourself While those around you crawled Goodbye, Norma Jeane	Goodbye Norma Jean Though I never knew you at all You had the grace to hold yourself While those around you crawled They crawled out of the woodwork And they whispered into your brain They set you on the treadmill And they made you change your name And it seems to me you lived your life Like a candle in the wind Never knowing who to cling to When the rain set in And I would have liked to have known you But I was just a kid Your candle burned out long before Your legend ever did Loneliness was tough The toughest role you ever played Hollywood created a superstar And pain was the price you paid Even when you died Oh the press still hounded you All the papers had to say Was that Marilyn was found in the nude Goodbye Norma Jean

12502 - "Friends" by Michael W. Smith

LyricFind	Claude
Packing up the dreams God planted In the fertile soil of you Can't believe the hopes He's granted Means a chapter in your life is through But we'll keep you close as always It won't even seem you've gone 'Cause our hearts in big and small ways Will keep the love that keeps us strong And friends are friends forever If the Lord's the Lord of them And a friend will not say never 'Cause the welcome will not end Though it's hard to let you go In the Father's hands we know That a lifetime's not too long To live as friends With the faith and love God's given Springing from the hope we know We will pray the joy you'll live in Is the strength that now you show But we'll keep you close as always It won't even seem you've gone 'Cause our hearts in big and small ways Will keep the love that keeps us strong And friends are friends forever If the Lord's the Lord of them And a friend will not say never 'Cause the welcome will not end Though it's hard to let you go In the Father's hands we know That a lifetime's not too long To live as friends And friends are friends forever If the Lord's the Lord of them And a friend will not say never 'Cause the welcome will not end Though it's hard to let you go In the Father's hands we know That a lifetime's not too long To live as friends	Packing up the dreams God planted In the fertile soil of you Can't believe the hopes He's granted Means a chapter in your life is through But we'll keep you close as always It won't even seem you've gone 'Cause our hearts in big and small ways Will keep the love that keeps us strong And friends are friends forever If the Lord's the Lord of them And a friend will not say never 'Cause the welcome will not end Though it's hard to let you go In the Father's hands we know That a lifetime's not too long To live as friends With the faith and love God's given Springing from the hope we know We will pray the joy you live in Is the strength that now you show But we'll keep you close as always It won't even seem you've gone 'Cause our hearts in big and small ways Will keep the love that keeps us strong And friends are friends forever If the Lord's the Lord of them And a friend will not say never 'Cause the welcome will not end Though it's hard to let you go In the Father's hands we know That a lifetime's not too long To live as friends And friends are friends forever If the Lord's the Lord of them And a friend will not say never 'Cause the welcome will not end Though it's hard to let you go In the Father's hands we know That a lifetime's not too long To live as friends

Tomorrow morning if you wake up, And the sun does not appear I, I will be here If in the dark we lose sight of love, Hold my hand, and have no fear Cause I, I will be here I will be here when you feel like being quiet When you need to speak your mind, I will listen and I will be here when the laughter turns to cryin' Through the winning, losing and tryin' We'll be together 'cause I will be here Tomorrow morning if you wake up, And the future is unclear I I will be here As sure as seasons are made for change, Our lifetime's are made for years So, I I will be here I will be here and you can cry on my shoulder, When the mirror tells us we're older, I will hold you and I will be here to watch you grow in beauty And tell you all the things you are to me I will be here	Tomorrow morning if you wake up And the sun does not appear I, I will be here If in the dark we lose sight of love Hold my hand and have no fear 'Cause I, I will be here I will be here When you feel like being quiet When you need to speak your mind I will listen And I will be here When the laughter turns to cryin' Through the winning, losing and trying We'll be together 'Cause I will be here Tomorrow morning, if you wake up And the future is unclear I, I will be here As sure as seasons were made for change Our lifetimes were made for these years So I, I will be here I will be here And you can cry on my shoulder When the mirror tells us we're older I will hold you And I will be here To watch you grow in beauty And tell you all the things you are to me I will be here

Fumbling his confidence And wondering why the world has passed him by Hoping that he's bent for more than arguments, And failed attempts to fly, fly We were meant to live for so much more Have we lost ourselves? Somewhere we live inside Somewhere we live inside We were meant to live for so much more Have we lost ourselves? Somewhere we live inside Dreaming about Providence And whether mice or men have second tries Maybe we've been livin' with our eyes half open Maybe we're bent and broken, broken We were meant to live for so much more Have we lost ourselves? Everyday they pass me by I can see it in their eyes Empty people filled with care Headed who knows where On they go through private pain Living fear to fear Laughter hides their silent cries Only Jesus hears People need the Lord, people need the Lord At the end of broken dreams, He's the open door People need the Lord, people need the Lord When will we realize people need the Lord? We are called to take His light To a world where wrong seems right What could be too great a cost For sharing life with one who's lost? Through His love our hearts can feel All the grief they bear They must hear the words of life Only we can share People need the Lord, people need the Lord At the end of broken dreams, He's the open door People need the Lord, people need the Lord When will we realize that we must give our lives?
