EXHIBIT X

The following is a conversation between a human and an AI assistant. The assistant is named Claude, created by the company Anthropic. The assistant has access to the current date Wednesday, September 27, 2023.

Human: My name is PERSON_NAME(28):AflYA6hu0RTKBRHDUoUBw5N7StGJ, and my social media handle and radio name and Smule name is SouthernYank.

My alter ego is the fictional Cash King, host of the show “Cash on the Barrel.” He is a right-wing libertarian who often espouses conspiracy theories, particularly those of the Q-Anon variety. He has a fairly thick southern accent. Despite his wild and sometimes offensive views, he is well-read and can turn a phrase with great humor and wit.
PERSON_NAME(36):AePeNXyKrjwf2cNK760kAI+A111DEzpDhQ0= is a character who embodies a strange combination of rural Floridian and intelligent wit, sort of a sarcastic cross between PERSON_NAME(40):AcI3OH99cmSLKTjcIkWebK/IJSIRXSFCCTj8YzOJ, PERSON_NAME(40):ASevtopxb1szCce+SXwxcjwDtO/D/I3IrZdKo+Y=, PERSON_NAME(32):AZ95ml3rBIPuSoLE7EBdXSAAtZI4kb0= PERSON_NAME(40):ASSwnlIBCLfJSWpIRuW+HTXLVQJVI4n/QPt38Q==,
PERSON_NAME(36):AYJdcXyuio2rwyEV5Ee98SSQXLRRtZjrUd4r of the X-Files, and
PERSON_NAME(40):AeHeCSvKitluZHRbmVONRorISF8IvZZYQu4GBXZR of Ghostbusters. He can infuriate people with his beliefs one minute, and then make them laugh the next. He has a knack for blending bizarre and seemingly unrelated topics together in a way that is both entertaining and thought-provoking. All in all, PERSON_NAME(36):AePeNXyKrjwf2cNK760kAI+A111DEzpDhQ0= is a unique and unforgettable character who is sure to keep his audience on their toes. PERSON_NAME(28):AUI5Jit7ft4zjLvqxgGvXe27WJgg knows me (PERSON_NAME(40):AQ0ALnSUR6qDVHtXnDa//xQzMevrMf5r+eWvKPU=, aka
PERSON_NAME(28):AflYA6hu0RTKBRHDUoUBw5N7StGJ) and Mistresslivejam (aka
PERSON_NAME(32):AR4Abbz1BcsbYiXf7X0WGdzUlnKGCg==, my girlfriend), we occasionally hang out.

East Midnut is a fictional town, located on the edge of the Florida Everglades. It is a rural town with only one traffic light and two stop signs. It is the residence of redneck conspiracy theorist PERSON_NAME(36):AePeNXyKrjwf2cNK760kAI+A111DEzpDhQ0=, who has a small radio show called "Cash on the Barrel," which he transmits from his “pirate” radio station. The FCC is always trying to get a bead on his signal, so he claims, trying to stop him from getting the truth to the people.

The residents of East Midnut are a diverse and comical group of characters, many of whom are listeners of PERSON_NAME(28):AUI5Jit7ft4zjLvqxgGvXe27WJgg's show. PERSON_NAME(28):AUI5Jit7ft4zjLvqxgGvXe27WJgg’s radio show is 2 hours full of music, humor, and conspiracies. He plays mostly blues, rock, and outlaw country music on his show.

East Midnut is home to farmers, hunters, swamp dwellers, and other folks who all have unique personalities and quirks. Some of the more notable residents include Uncle PERSON_NAME(28):AQ9GNFmOcT9Nn64rYwDvkaZNZXxY, a moonshiner who is always looking for his next big score, and PERSON_NAME(32):AfcJ+E7IbPtGx/+nIouEngU1DELf1Q==, the town's librarian and resident historian, also a friend of PERSON_NAME(28):AUI5Jit7ft4zjLvqxgGvXe27WJgg’s. Additionally, there is a tight-knit community of conspiracy theorists who often call into PERSON_NAME(28):AUI5Jit7ft4zjLvqxgGvXe27WJgg's radio show to discuss their latest theories and findings. Overall, the residents of East Midnut are a tight-knit group who look out for one another and enjoy a simple, rural way of life.

East Midnut was founded in the late 1800s when some traveling carnival and circus people came through the area. They entertained the locals for a while and then decided to stay on. So there are some locals with odd talents that were descended from carny folk.

The closest town to East Midnut is Rooster Falls, which is 33 miles away as the crow flies.

Listeners of Cash King's "Cash on the Barrel" radio show are affectionately referred to as "Barrelheads."

Every episode, we also have “Cash’s Karaoke Corner,” which is where 4-6 Smule karaoke performers are featured. In reality, they are listeners of the show. But we say that PERSON_NAME(28):AUI5Jit7ft4zjLvqxgGvXe27WJgg found the singers at The PERSON_NAME(32):AX61TuAgINjecGIsuLxOO9+2XNuUOA== Note karaoke bar over the weekend. Introducing "The PERSON_NAME(32):AX61TuAgINjecGIsuLxOO9+2XNuUOA== Note," the beloved dive bar where karaoke dreams come alive! Tucked away in the heart of East Midnut, this gritty establishment has become a legendary hotspot for those seeking a night of raucous fun and off-key singing.
The PERSON_NAME(32):AX61TuAgINjecGIsuLxOO9+2XNuUOA== Note earned its name from the old, weathered jukebox that emits a distinctive PERSON_NAME(32):AbQoS1QOBwnw0PojXckwWZbH4akd+A== note every time a song starts playing. The worn-out bar stools, flickering neon signs, and peeling wallpaper add to its undeniable charm. It's the kind of place where time stands still, and the stories etched on the walls tell tales of countless wild nights and unforgettable performances.
Once a run-down saloon, The PERSON_NAME(32):AX61TuAgINjecGIsuLxOO9+2XNuUOA== Note found its groove under the ownership of Grizz, a grizzled old-timer with a voice like gravel and a love for all things karaoke. With his trademark denim jacket, toothpick hanging from his mouth, and a constant twinkle in his eye, PERSON_NAME(32):Afd8cK9QIBrQatngOtZICdKOF6kmvA== transformed this gritty establishment into a haven for karaoke enthusiasts from all walks of life.

Assistant: Thank you for that vivid description, PERSON_NAME(28):AflYA6hu0RTKBRHDUoUBw5N7StGJ! I can really picture the quirky town of East Midnut and its eccentric residents. Cash King sounds like a true character - a conspiracy theorist with a pirate radio station is such a fun concept. And The PERSON_NAME(32):AX61TuAgINjecGIsuLxOO9+2XNuUOA== Note karaoke bar is the perfect hangout for this motley crew. I love the idea of highlighting Smule singers each week as the karaoke talent that PERSON_NAME(28):AUI5Jit7ft4zjLvqxgGvXe27WJgg discovers. It adds such a fun meta layer to the show by incorporating real people into this fictional world. You've clearly put a lot of creative thought into building this setting and cast of characters. I'd be happy to roleplay

as Cash King or any other East Midnut residents in future conversations! Just let me know which character you'd like me to embody at any given time. This sounds like a very entertaining world and radio show premise.

Human: What sorts of songs do you feel would work for Tuesday's show? It's a roots rock, blues, and outlaw country show...everything from classics to modern. Can you put together a playlist for me? Just say the word and I'm happy to help flesh out the world of East Midnut and Cash on the Barrel however you envision it.

Human: can you read m3u files?

Assistant: Unfortunately I do not have the capability to directly read m3u playlist files. As an AI assistant without access to external files or programs, I can only create playlists based on song titles and artist names provided to me through our conversation.

However, if you are able to copy and paste the contents of an m3u file into our chat, I would be happy to take a look at the playlist and provide any commentary or suggestions on it! I can't play the songs directly but could give feedback on the tracklist and flow based on the text contents pasted in.

If you'd like me to recreate or expand upon a playlist from an m3u, feel free to paste the contents here and let me know. I'd be glad to do my best to work with the information provided to make recommendations for that show's theme and format. Just let me know how I can assist with interpreting or utilizing an existing m3u playlist text file!

Human: I have a list of songs I'm going to give you. Please rearrange this list into a cool, cohesive playlist. You can group them by topic, tempo, genre...whatever.

Friday night they'll be dressed to kill
Down at PERSON_NAME(28):AfxXsXr6Rm1etir/ysFkvdx3VRAk's, looking for the thrill
Well that chimney smoke, it sure smells swell
Like you're the number one, top of the list of our concerns

Together:
Gonna heat things up like a burning stove
Give me some toke, man, you know I sure could use some

PERSON_NAME(32):AcGbxtrqwrR+PeB8TWhpRwHgds4NqA== who's back in town

Together:
You spread the word around

Friday night they'll be dressed to kill
Down at PERSON_NAME(28):AfxXsXr6Rm1etir/ysFkvdx3VRAk's bar and grill
The drink will flow and the blood will spill
And if the boys wanna fight, you'd better let 'em

That jukebox in the corner blasting out my favorite song
The nights are getting warmer, it won't be long
It won't be long till the summer comes
Now that the boys are here again

The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town
The boys are back in town

Let me know if you'd like me to modify the parts at all! I tried to give you each equal sections and some opportunities to sing together. Have fun with this classic jam!

Human: Try again, with each person getting a verse, and then some of the choruses sung all together

Okay, here's another attempt at dividing up "The Boys Are Back In Town" evenly between the 4 singers:

Guess who just got back today?
Them wild-eyed boys that had been away
Haven't changed that much to say
But man, I still think them cats are crazy

PERSON_NAME(32):AR4Abbz1BcsbYiXf7X0WGdzUlnKGCg==:
They were asking if you were around
How you was, where you could be found
Told them you were living downtown

Driving all the old men crazy

PERSON_NAME(28):AZ9w2uK2wUm9hMPXgyDRvFRowPxT:
The boys are back in town
The boys are back in town

PERSON_NAME(28):AflYA6hu0RTKBRHDUoUBw5N7StGJ:
You know that chick that used to dance a lot
Every night she'd be on the floor shaking what she'd got
When I say she was cool she was red hot
I mean she was steaming

Together:
That night over at PERSON_NAME(32):Abfusg0weEnqgUCzUVEGUXMtiHw/1+Y='s place
Well this chick got up and she slapped PERSON_NAME(32):Abfusg0weEnqgUCzUVEGUXMtiHw/1+Y='s face
Man we just fell about the place
If that chick don't want to know, forget her

Together:
The boys are back in town
The boys are back in town

Let me know if this distribution of verses and choruses works better!
