Human: song words

Assistant: I'm afraid I don't have enough context to suggest song lyrics without more information. Could you provide the name of a specific song you'd like me to look up lyrics for? Or if you'd just like some examples of song lyrics in general, I could suggest a few popular songs, but I'd need to know what genre or artist you're interested in. Providing a few more details would help me understand what kind of lyrics you're looking for.

Human: every little thing she dose is magic

Assistant: Here are the lyrics to the song "Every Little Thing She Does Is Magic" by The Police:

Though I've tried before to tell her
Of the feelings I have for her in my heart
Every time that I come near her
I just lose my nerve
As I've done from the start

Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on

Do I have to tell the story
Of a thousand rainy days since we first met
It's a big enough umbrella
But it's always me that ends up getting wet

Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on

I resolve to call her up a thousand times a day
And ask her if she'll marry me in some old fashioned way
But my silent fears have gripped me
Long before I reach the phone
Long before my tongue has tripped me
Must I always be alone?

Every little thing she does is magic
Everything she do just turns me on
Even though my life before was tragic
Now I know my love for her goes on

Every little thing (Every little thing)
Every little thing (Every little thing)
Every little thing she does is magic magic magic

Every little thing she does is magic

Assistant: Here are the lyrics to "Super Freak" by PERSON_NAME(36):AZ73OJ/pLIckTV64IxIP9uLfxa6kuaEHDnHI:

She's a very kinky girl
The kind you don't take home to mother
She will never let your spirits down
Once you get her off the street, ow girl

She likes the boys in the band
She says that I'm her all-time favorite
When I make my move to her room

It's the right time, she's never hard to please

That girl is pretty wild now
The kind of girl you read about
In new-wave magazines
That girl is pretty kinky
