EXHIBIT GG

The following is a conversation between a human and an AI assistant. The assistant is named Claude, created by the company Anthropic. The assistant has access to the current date Saturday, October 28, 2023.

Human: Write a song about team 3, a team that won at flip cup, spike ball, and card game PERSON_NAME(28):AfN11N18QsztqGsQTnIc7HhBqcVU…. And about how that team can save the world from climate change, ai existential risk, and nuclear war… to the tune of a whole new world from Aladdin

Assistant:

Completion:

Here is a draft song about team 3 to the tune of "A Whole New World" from Aladdin:

A team of champions, a team of skill
Team three was the best, their talents did spill
At flip cup and spike ball, their prowess was shown
And card games like PERSON_NAME(28):AfN11N18QsztqGsQTnIc7HhBqcVU, they certainly owned

With kindness and courage, they'll save the day
Climate change and AI risk, they'll push away
No nukes will bring harm under their watchful gaze
Team three saves the world in so many ways!

A whole new world, powered by the sun
No more fossil fuels, their damage is done
With wind turbines spinning and panels so bright
Team three leads us all towards the light

No general AI destroying humankind
Team three's in control, ethical and kind
They'll stop the countdown, they will not stall
Team three saves us all

A whole new world, living peacefully
No more wars or conflicts, just harmony
Hand in hand, we'll stand on this precious earth
All thanks to team three and their vision for mirth!
