Human: what popular song includes lyrics about California, Alabama, New Orleans & Mississippi in the same song

Assistant:

Completion:

Based on the lyrics you mentioned referencing multiple U.S. states, it sounds like you're asking about the song "Sweet Home Alabama" by Lynyrd Skynyrd. This 1970s Southern rock anthem mentions California, Alabama, New Orleans and Mississippi in its lyrics. Specifically, the lyrics are:

"Well I heard Mister Young sing about her
Well, I heard ole Neil put her down
Well, I hope Neil Young will remember
A Southern man don't need him around anyhow
Sweet home Alabama
Where the skies are so blue
Sweet Home Alabama
Lord, I'm coming home to you
In Birmingham they love the governor
Now we all did what we could do
Now Watergate does not bother me
Does your conscience bother you?
Tell the truth
Sweet home Alabama
Where the skies are so blue
Sweet Home Alabama
Lord, I'm coming home to you
Here I come Alabama
Now Muscle Shoals has got the Swampers
And they've been known to pick a song or two
Lord they get me off so much
They pick me up when I'm feeling blue
Now how about you?
Sweet home Alabama
Where the skies are so blue
Sweet Home Alabama
Lord, I'm coming home to you
Sweet home Alabama
Oh sweet home baby
Where the skies are so blue
And the governor's true
Sweet Home Alabama
Lordy
Lord, I'm coming home to you
Yea, yea Montgomery's got the answer"

So in summary, "Sweet Home Alabama" references California, Alabama, New Orleans and Mississippi, making it a very geographically diverse classic rock song! Let me know if you need any other details.
