Re: Request to Join Class Action Lawsuit – Copyright Infringement
Bartz v. Anthropic PBC **3:24-cv-05417**

To the Honorable William Alsup,

I am writing to respectfully request that I be permitted to join the pending class action lawsuit against Anthropic (*Bartz v. Anthropic*) regarding unauthorized use of copyrighted works. I am the author of two published books, and I have reason to believe that material from my work has been used by Anthropic without my consent, in violation of copyright law.

Unfortunately, I was unable to file my claim within the original deadline due to the recent passing of my husband in June 2025, which placed me under extraordinary personal hardship. I deeply regret the delay but am now in a position to assert my rights and request inclusion in this matter.

I submit this letter as a formal request to be added as a claimant and to ensure that my rights as a copyright holder are recognized and preserved within this litigation. I am prepared to provide proof of authorship for my works and any documentation the Court or attorneys require.

Thank you for your consideration of my circumstances and for allowing me an opportunity to protect my intellectual property through this proceeding.

Respectfully,

Rhoda Huffey
