Re: *Bartz v. Anthropic PBC*, 3:2024-cv-05417

Dear Judge Martinez-Olguín:

This firm represents the Textbook and Academic Authors Association (“TAA”). We write to supply the Court with a letter from TAA’s Executive Director, Kim Pawlak, concerning the recently filed Stipulation with Proposed Order (Dkt. 694), and her experience working with authors in connection with the settlement and allocation plan.

Respectfully submitted,

David Slarskey
